DESTINATION OF THE MONTH

HONG KONG, SPECIAL ADMINISTRATIVE REGION, CHINA

Temple Serenity to City Thrills Discover the Dual Magic of Hong Kong

Hong Kong is an unforgettable way to end a cruise, offering big-city energy, great food, and a stunning waterfront without feeling overwhelming. It is a destination that blends culture and scenery in a way few cities can match.

What you do ashore will depend on when you arrive. By day, you can enjoy some calm at the beautifully crafted Chi Lin Nunnery and the peaceful Nan Lian Garden in Diamond Hill. If timing allows, you might also visit Ocean Park to see the resident Giant Pandas, always a highlight for visitors.

If your cruise reaches the city in winter, Hong Kong takes on a festive glow. Hong Kong WinterFest lights up the harbourfront, and sailing into Victoria Harbour feels especially magical as the skyline illuminates the water.

Cruisers arriving around New Year's Eve experience Hong Kong at its most vibrant. The city's famous fireworks fill the harbour with color and energy, creating a memorable finale to your journey.
